KUALA LUMPUR (July 7): ACE Market-listed company PUC Founder (MSC) Bhd will begin trading under its new name of PUC Bhd from Wednesday, July 12.

In a filing to Bursa Malaysia, the integrated media services provider said the stock short names and the stock numbers, however, remain unchanged.

The group's shareholders approved the group's new name at its annual general meeting on June 28.

The group said the change denotes its new corporate identity and the fact that its founding Chinese company, PUC Founder Group, is no longer its substantial shareholder.

At 4.44pm, PUC shares remained unchanged at 14 sen, with 3.55 million shares traded, for a market capitalisation of RM171.88 million.
