## PUC Founder changes name

PUC Founder (MSC) Bhd will now be known as PUC Bhd after its proposed name change was approved by shareholders at its annual general meeting on June 28.

The move reflects its rebranding initiative to establish its new corporate identity and brand image as a digital lifestyle technology services provider with continued focus on integrated media services, e-commerce, technology and renewable energy. It is also meant to reflect that the founding Chinese group, PUC Founder Group, is no longer a substantial shareholder of the group.

Earlier this same month, PUC completed its acquisition of Enovax, a full-fledged integrated IT business solutions company.
